

UW Motor Vehicle Records (MVR)

If you are planning on providing transportation of youth in the 4-H program you must complete the MVR. 4-H is a program of the University of Wyoming and anytime you transport 4-H members you are driving on University business. UW policy requires individuals who drive on University business to complete the MVR check annually. This applies to all driving, whether doing so in a personal, rental, county vehicle or UW vehicle.

All MVR checks expire on December 31st. However, MVR checks completed after October 1, apply to the next calendar year. For example, if you completed the MVR check on October 2nd, 2017, you are eligible to drive through 2018.
